SHIKU SHOUNEN

2006 11月 20日

I'll try and
go around to
the back.

Those garters...
he's a student
of our school?

Huh...?

That boy
resembles
me...?

stalo...
stalo...

Recently,
at school,

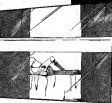

when I feel
someone
watching
me, I turn
around and
many times
Tsujibou-sensei
from the school
infirmary was
the one there ..

Is it
my inner-
gratitude?
Is it?

However,
when my
and Senoo's
eyes meet,
he turns
away...

...I've come to
care about Senoo
and have been
following him,
but...

What
is
that
boy?

the boy who
rescues me
is the one
being taken
by Senoo

I wonder if I
could exchange
places with that
boy...?

6TH PERIOD

SELF-STUDY

Those garters...
That boy is a student
in this school.

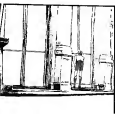

— in that case,

保健室

It's obvious
the two of them
meet in here,
isn't it?

That boy...
is that boy the
only one good
enough?

What I
thought when Sora
watches me...is it a
misunderstanding
of mine?

Ah!

What?

The same room...??

I FELT
AS IF I
WOULD
SURVIVE
HOL!

IF I HAD
CONTINUED
TO STAY
IN THE
GAME
ROOM
AS YOU
LIKE
THAT...

That boy...
has the same
name as me?

SOTARU

No way, that boy is...

There's no way...!

PLEASE
WAIT ONE
MOMENT.

Sensei's

—
Dutch
boy!

It's a doll made
of siliconell.

Subcommittee on Labor Administration
and Public Labor Relations (Public
Labor Administration), Senate (State
and Labor Administration) (Special
Committee on Labor Administration)

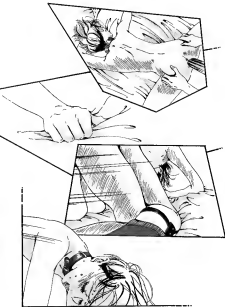

A black and white illustration of a person lying on a bed, looking towards a doorway where another person is standing. The person on the bed is in a relaxed, possibly nude or semi-nude pose. The person in the doorway is standing and looking back. The scene is set in a simple room with a bed and a doorway.
